HOTJOHNS® BALACLAVA

ELITE PROTECTION SYSTEMS

If you didn't know, the name comes from their use at the Battle of Balaclava by the Brits, during the Crimean War, referring to the town near Sevastopol in the Crimea. We designed our own version of this versatile piece of gear utilizing our outstanding HotJohns® fabric to maximize warmth and breathability. With strategically placed seams for improved usability, flat stitching, and stitched anchors at the ear seams for added strength, the Massif Balaclava is super functional and so comfortable you'll forget you have it on.

FEATURES:

- Flame-resistant construction with proprietary 4-way stretch Massif® fabric
- Flat-seam construction for helmet and goggle compatibility
- Excellent moisture management
- Performance fit maximizes comfort
- Can be worn in a number of positions depending on your need
- Highly compressible
- Soft next-to-skin
