FLAME RESISTANT

2-PIECE FLIGHT SUIT - MILITARY

WOMEN'S FIT - APPROVED BY AFSOC

You deserve the best so we designed our revolutionary new 2-Piece Flight Suit - Military, Women's Fit, for the Air Force from direct user feedback across multiple branches and multiple platforms. Our team, inspired by the idea of comfort and usability, set out to enhance the capabilities of the modern aviator and aircrew members with original design features unique to our garments. Taking our design one step farther, we made essential adjustments to account for a woman's body shape, including preferred placement of garment features to maximize functionality as well as proper chest and waist form. For superior performance and strength, we utilized Sigma 4 Star™ fabric powered by DuPont™ Nomex® and DuPont™ Kevlar®. We are as committed to performance and protection as you are.

OVERALL FEATURES:

- A revolutionary patented connection system that joins the jacket & pant (U.S. Patent 9,015,864)
- Ripstop fabric for durability and comfort
- Mesh-lined pockets for increased heat mitigation
- Outstanding color fastness

THE JACKET:

- Hook & loop closure on the wrists for better fit-control
- Two upper arm and chest pockets

THE PANT:

- Massif Dual-Entry™ pockets for ease of entry whether standing or sitting
- Lower leg extended zippers for easy donning/doffing
- Gusseted crotch for ultimate field performance
- Heavy duty web-backed knife pocket
