

# 2-PIECE FLIGHT SUIT JACKET-MILITARY

Years in the making, we designed our revolutionary new 2-Piece Flight Suit for the Air Force from direct user feedback across multiple branches and multiple platforms. Taking the next step, our team set out to enhance the capabilities of the modern aviator and aircrewman with original design features unique to our garments. For superior performance and strength, we utilized Sigma 4 Star™ fabric powered by DuPont™ Nomex® and DuPont™ Kevlar®. We loaded our suit with innovative features because you deserve the best. HOTAS in the world's best aircraft and your body should be in the best flight suit.

- + A revolutionary patented connection system that joins the jacket & pant (U.S. Patent 9,015,864)
