

NON-FR QUARTER ZIP COMBAT SHIRT

YOUR NEXT LEVEL COMBAT SHIRT

With millions of our combat shirts fielded, it made sense for us to make a non- flame resistant version as well. Lightweight and highly comfortable torso fabrics increase airflow, reduce chafe, and wick sweat away from your skin. Each fabric is a proprietary blend of high quality fibers selected for optimum combinations of weight, durability, breathability, stretch and next-to-skin comfort.

FEATURES:

- Non-FR construction with proprietary 4-way stretch Massif® fabrics
- SuperFabric® covered elbows offer extra protection and abrasion resistance
- Self-healing coil zippers
- Two zippered low-profile upper arm pockets
- Shoulder Hook and Loop
- Adjustable wrist cuffs for a customized secure fit
- Advanced breathability and wicking properties
