

NITRO KNIT

BREATHABILITY, AT THE READY

The Massif® Nitro Knit base layers with 37.5™ Technology offer no-melt, no-drip protection for day-to-day activity. Extremely lightweight and breathable fabric works with body heat to dissipate moisture keeping you dry and comfortable. These next-to-skin base layers have a performance fit and multi-dimensional stretch for ease of movement and layering.

FEATURES:

- Excellent moisture management
- Performance fit maximizes comfort
- Soft next-to-skin
- Lightweight and compressible
