Women's Fit: #MSRT00086

Inversion Bottom Lightweight
Men's Fit: #MPNT00103
Women's Fit: #MPNT00105

The Inversion (Lightweight) base layer is a premier flame-resistant garment with an advanced tri-blend yarn system that provides unparalleled performance across warm environments. Inversion is inherently sweat-wicking and is designed to create a quick-drying and breathable garment, and the inclusion of spandex gives the end user an improved range of motion, superior comfort, and extraordinary recovery for after-wash durability.
